Journal - Office of Legislative Counsel Thursday - 25 July 1763

STAT

Fate 2

25X	CI Staff, and met with	TAT
23/	members of the staff of the Joint Committee on Atomic Energy and hir.	, , , , ,
25X	1 briefed them with respect to our information on the	
20/(case. Members briefed were John Conway, Commander Edward J. Sauser,	
	and George Murphy. This these stall members appeared satisfied that the	
	was no evidence to date to indicate the involvement of any Restricted Data,	
	it was clear that they were still emerting from their inability to extract	
	any information from the Atomic Laersy Commission on this case. A	
	request was made that we provide the staff with a summary of the information	
	provided at the briefing. It was pointed out that the FDI should be the	
	primary source of information on this case, but after repeated requests.	
	the staff was advised that this was amatter which would require approval	
	of the Director incomuch as the FBI had been designated as the Executive	
	department bandling the case.	
25X	1 Talked with Robert Smart, House Armed	
_0, (Services Committee, regarding the possibility of briefing the House CIA	
	Subcommittee this week prior to the Director's departure. Smart said	
	he thought this would be impossible in view of the schedule of other hearings	
	by the Committee, hawever, later in the day the Director talked with
